

LONG ASHTON JUNIOR FOOTBALL CLUB

Presentation Day Sunday 9 June 2024

BBQ and Bar

Food and drink available from 12 PM. BBQ will close by 3PM with the bar staying open until the end of the event. As usual thanks to volunteers from the under 11s.

A big thanks to Andy at The Angel Inn for his support this year with the bar and food.

Tombola

We'll be running a tombola with all the fantastic prizes that have been donated.

So stop by in the community centre and try your luck. The kids tombola offers a prize with every go, while a selection of wine and spirits are waiting to be won in the over 18s tombola!

There is still time to donate a prize - bring it along on the day and hand it over to the volunteers running the stall who will add it to the prizes!

Beat the Keeper! 12 - 1:15PM!

An opportunity for players to show off their penalty taking and get themselves into the Beat the Keeper "Hall of Fame" as they take three penalties against two of our clubs best keepers! - Kids only!

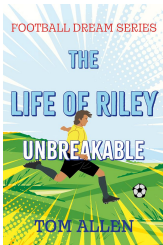

Boot swap!

Bring along those old boots that are too small but still in good condition and swap them for a larger pair or donate them to the boot swap table in exchange for a few tickets on the tombola.

Please make a donation if you can when you make a swap. Any boots leftover after the day will be used to raise funds for the club.

Lost property!

If you're still searching for that lost water bottle or training top that was left at training then check out the lost property table near the tombola. Any items left over after the presentation day will be donated to charity or recycled.

Meet the author: The Life of Riley – Unbreakable

We'll be joined between 12 and 3 by Tom Allen, author of *The Life of Riley - Unbreakable*. Tom will be doing book readings, signing books (available at a discount on the day) as well as donating a book to the tombola!
